Networking

Find your next client on the exhibitor list

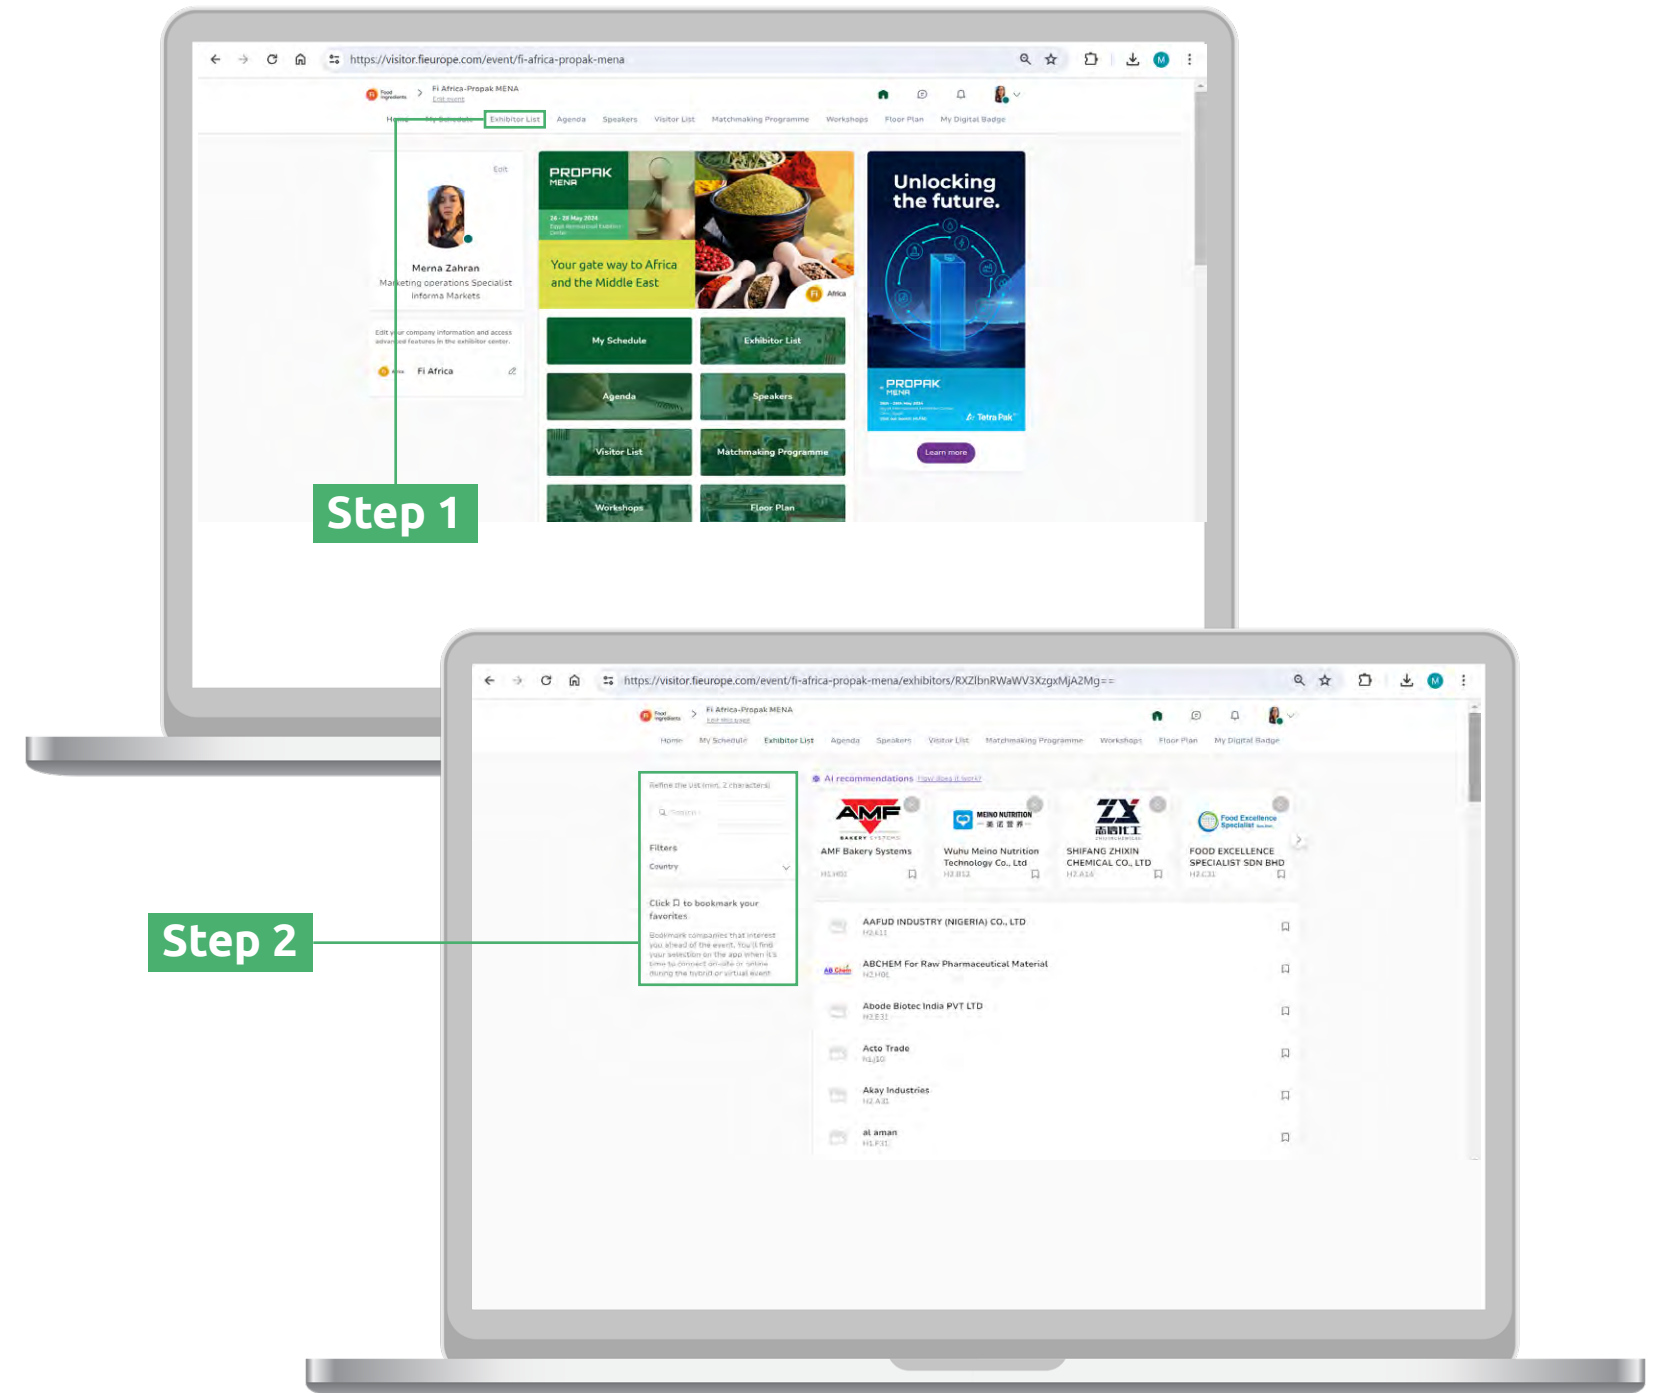

All Informa Markets online platforms provide attendees with the official exhibitor list. This list includes everyone who has registered as an exhibitor for the show, thus vastly increasing the target market size for attendees. It is the place to start building your pipeline of future valuable contacts. Make sure to brief your teams on how to search through the exhibitor list with the easy-to-use filters and tools.

Step 1: From the main event page, click on **“Exhibitors”** in the top navigation bar or on the ‘Attendees’ button in the homepage

Step 2: Search the list for exhibitors and attendees that align with your business goals using the filters on the left-hand side of the screen.

Step 3: Click on an exhibitor profile to find out more about them and start networking the company or any specific member of the company by sending a connection request or any specific member of the company booking a virtual meeting.

Don't miss your perfect match! At the top of the exhibitor list, you will also see your **AI-recommended exhibitor**. These are matched specifically to you based on your profile and behaviour on the platform.

Send a connection request

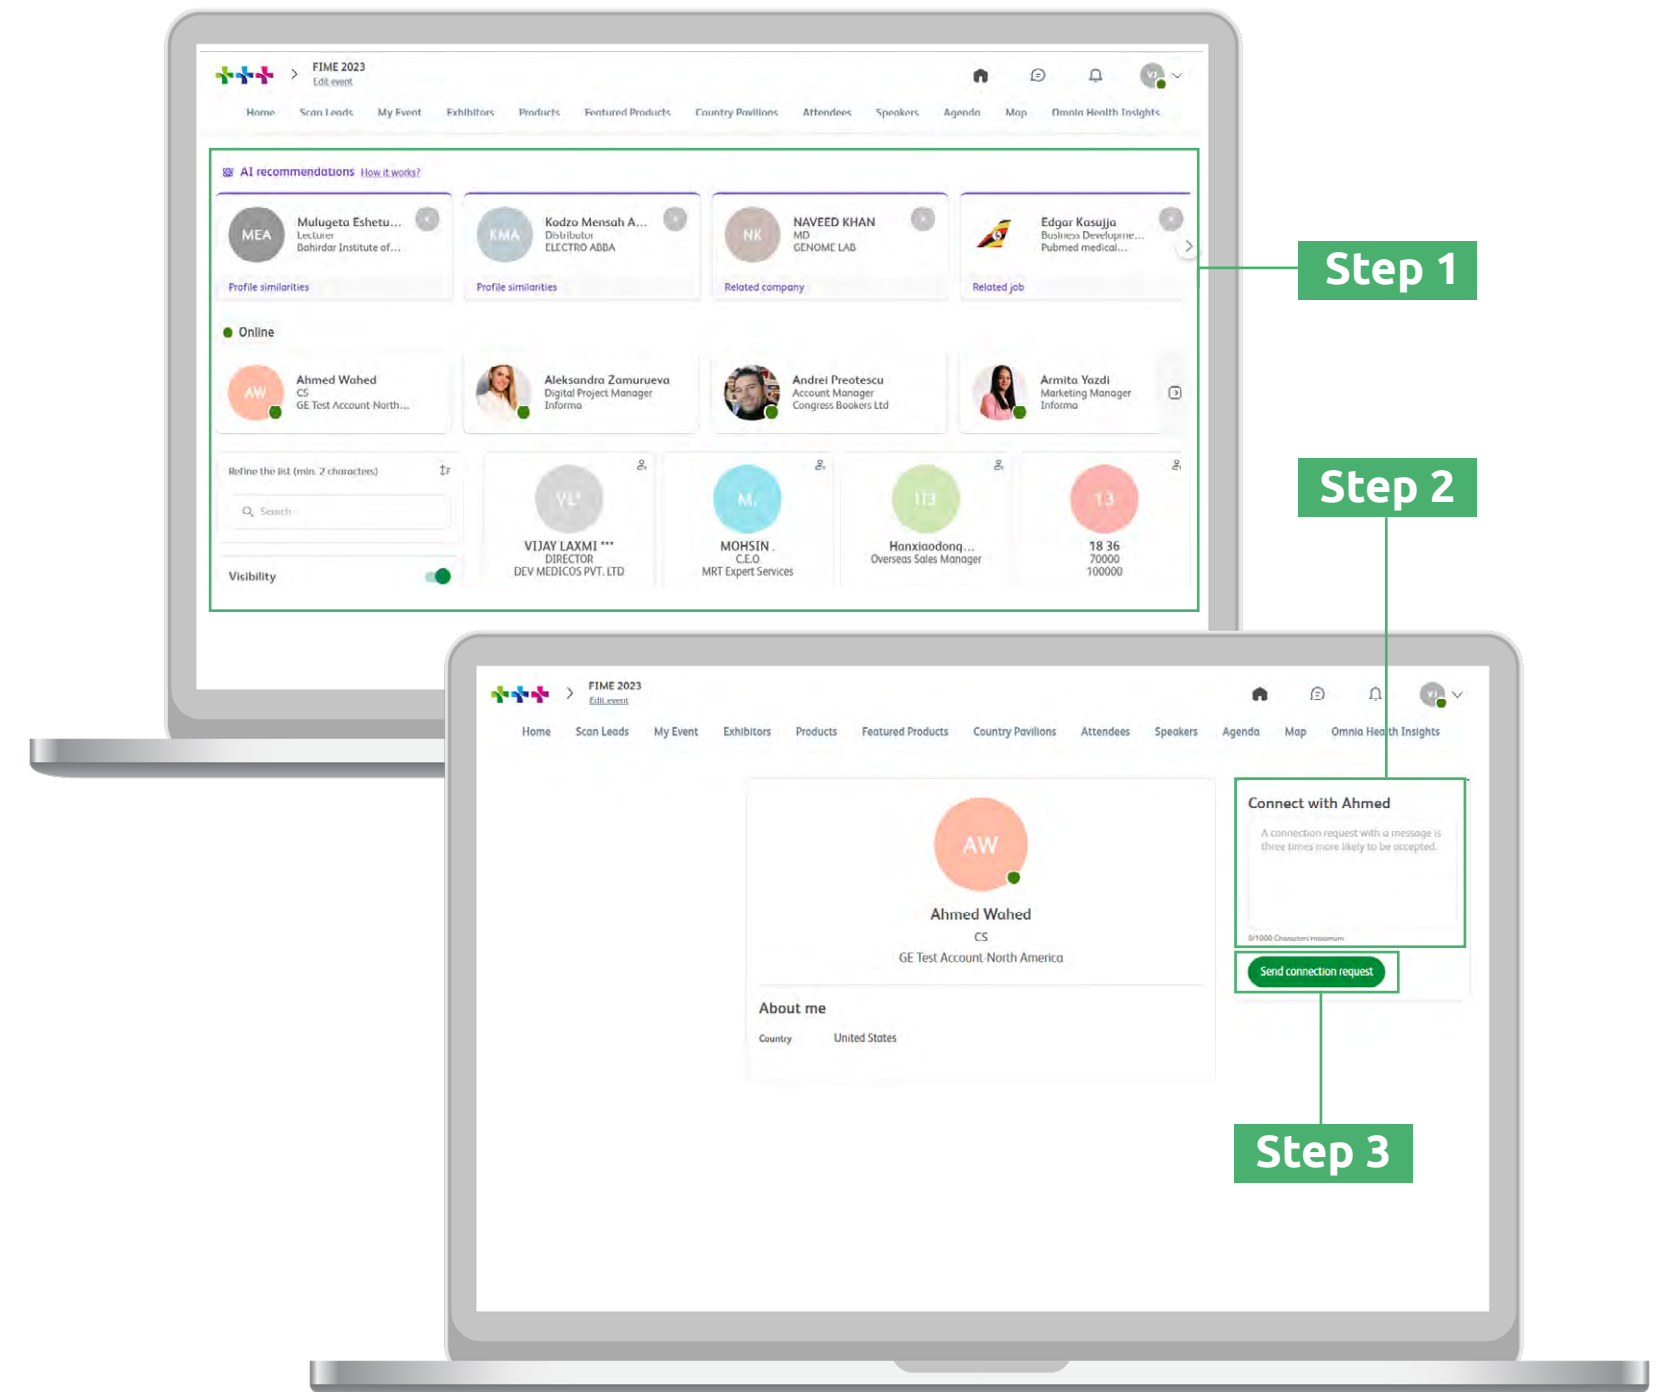

You can send a connection request to an attendee, speaker or another exhibitor. Once someone has accepted your request, you will be able to exchange messages on the platform and they will appear in your list of leads.

Step 2: Add an introductory message about yourself, your company and reason to connect.

Note: You will be able to find all the people you have been in contact with from **“My contacts”** tab under your profile picture, or in the **“My Event”** button under My Networking tab.

Step 3: Add people from your contact list to the group by selecting the checkbox next to their name
